## **KEYNOTE SPEAKER: ANN McELHINNEY OF "GOSNELL," THE BOOK AND MOVIE**

Kermit Gosnell is now serving a life sentence in prison for manslaughter of a woman who sought an abortion and for the infanticide of unborn babies whose spinal cords he snipped with scissors after he pulled them from the womb. This was a common practice in Gosnell's filthy abortion facility in Philadelphia, PA. Ann and her husband, Phelim, tell the story of Gosnell's "House of Horrors" in their book and movie: "Gosnell." Help us get "Gosnell" the movie shown in theaters across Nebraska upon its release!
