2019 LINCOLN CITY ELECTION

VOTER GUIDE

- In its 1973 rulings, *Roe v. Wade* and *Doe v. Bolton*, the U.S. Supreme Court created a constitutional "right to abortion" which invalidated the abortion laws in all 50 states giving us a policy of abortion on demand through all nine months of gestation. Under what circumstances, if any, do you believe abortion should be legal?
 - In no case.
 - Only to prevent the death of the mother.
 - In cases of incest and rape reported to law enforcement authorities.
 - In cases of fetal deformity.
 - In cases to select the desired sex of the child.
- Do you support the reversal of *Roe v. Wade* and *Doe v. Bolton*, which would return the issue of abortion to the individual States as a matter of public policy?
- Do you support the de-funding of tax dollars from entities that perform abortions?
- Would you oppose efforts to place restrictions on abortion alternative pregnancy care centers through unnecessary regulations, zoning ordinances or other policies which apply only to these pro-life centers and would disrupt their ability to provide services?

- Abortion clinics in Nebraska are largely unregulated. Would you support requiring abortion clinics to meet the same public health standards as other outpatient surgical facilities?
- Would you support banning the taxpayer funding and creation of school-based health clinics in public schools which could counsel and refer for abortion without parental consent?

Note: For Question 7, the term "use" means: "the sale, purchase, research and/or transplantation of."

- Would you support banning the "use" of human embryonic stem cells, either multiple frozen embryos created through in vitro fertilization or embryos created for the express purpose of medical research?
- Do you oppose Physician Assisted Suicide?
